

## HELM.UT LIGHT CLIMBING HELMET

**in-mold**

Art.no.: HS04-OM

The new edition of the HELM.UT - the HELM.UT LIGHT - is a lightweight climbing helmet with large openings for excellent ventilation. Due to the in-mold manufacturing process, shell and hard foam are permanently connected, so your head is perfectly protected. HELM.UT comes true to the motto "your head - your helmet"! Give your HELM.UT LIGHT a personal touch with stickers that suits your style of climbing.

### use cases:

sports climbing, ice climbing, mountain sports, via ferrata
