

2-SLOT-FRAME BUCKLE

45 mm

Art.no.: DY45AFS

The next generation of ergonomically arched 2-slot-frame buckles impresses with a completely redesigned look and maximum functionality. Thanks to the embossed batch number, each buckle can be reliably traced.

The new models retain all proven technical properties of their predecessors. These include high tensile strength for maximum safety and load capacity, as well as excellent corrosion resistance in accordance with EN ISO 9227.

2-slot framebuckle DY45AFS must be used in combination with matching framebuckle DY45_FB only.

use cases:

PPE, Fashion, air sports, tactical, equipment
