

## OVALO OVALOCK

**push & open**

Art.no.: KA65B-Y

The intuitive lock only allows two options: open or closed. The bar is made out of molded reinforced fibre glass plastic and effectively separates the carabiner into two distinct sections - thus eliminating the dangers of cross loading. No screwing, no weird handling: just push and open!

### use cases:

sports climbing, ice climbing, mountain sports, canyoning, PPE
