HMS RONDO

GI SCREWLOCK WITH BRASS SLEEVE

aluminium, anodized
Art.no.: KR13B-R-GI

The HMS RONDO meets all the requirements regarding simple handling and tangible safety. The round profile of the carabiner’s upper body prevents the build-up of sharp edges due to rope friction and allows a fluid rope management . The HMS RONDO screwlock carabiner with smooth-running, corrosion-resistant brass sleeve. Thanks to a special milling at the thread, the screwlock has a unique self-cleaning process. Special features of the HMS RONDO GI are its additional red visual safety band [Gate Red] and a unique identification number [ID].

use cases:
sports climbing, ice climbing, mountain sports, canyoning, PPE
