Not a friend of big words? No problem! Just show your mood with an emoji patch! The COBRA® emoji patches are cool 3D PVC patches with hook backing and an absolute eye catcher thanks to their nice structure. Moreover, they are the perfect mood barometer for all those who are not in the mood for beating about the bush! One picture says more than 1000 words: You are in a really bad mood? Then our “vomit” emoji patch is just the thing for you!
